**Please note:** Premiums and excesses in CHF. Unless otherwise agreed, the premium is to be paid once a year. The effective premium depends on the product chosen, the excess, the age of the animal and the breed of dog. Information about your insurance and the detailed benefits can be found in the relevant GCI at [www.wau-miau.ch](http://www.wau-miau.ch) > Service > Documents and downloads.

## Your definitive insurance premium depends on the following factors:

- Selected product (Basic, Clever, Optima or Exclusive) and associated cover
- Selected excess
- Age of your pet
- Breed of dog
